

ASTRON CONNECT INC. REPORTS UPDATE ON ACQUISITION OF BOTTLED WATER TRADING COMPANY

VANCOUVER, BC – June 14, 2020 - The following is a market update to the recent successful acquisition of Manna Resources Inc. on April 27th, 2020.

From the date of the acquisition on April 27th Astron connect has shipped more than 15 containers of Manna Resources' branded water with a value of greater than \$250,000. We anticipate that the sales will be booked in our current quarter ended June 30th assuming that all custom clearances in China are conducted prior to June 30th.

Our "Manna brand" sales team has been successful in finding new customers in some of China's major cities and provinces such as Beijing, Shanghai, Shandong, Henan, Jiangsu and Hainan.

Astron Connect has also commenced legal action for the collection of an outstanding receivable of approximately \$200,000 in China, which was provided for in fiscal 2019.

Randall Smallbone Astron's CEO stated "we as a management team are very encouraged with the Manna brand's penetration into several different markets, in contrast to the narrowly focused geographic market penetration by the sales team of our other water brand. In addition, we continue to actively investigate other products for export to China and other emerging markets."
